

## **What to know about TEEN IMPACT and A Woman's Choice SUMMER STAFF before you apply:**

**Who is Teen Impact and A Woman's Choice Summer staff team?** We are a group of high school teens committed to saying YES to healthy relationships and a positive future by saying NO to premarital sex, drugs, tobacco and alcohol!

**What is Summer Staff?** Summer Staff is an opportunity for high school students to educate younger students (10+) about the importance of living healthy lifestyles and be role models of this lifestyle. We will be presenting at local Boys & Girls clubs, YMCA's, rec centers and churches. The Summer Staff program is an 8-week long program. The week after school releases, June 10th – 14th, is mandatory. It will be a full week of training (Monday – Friday, 9am – 5pm). The following 7 weeks will be Monday – Thursday workdays, with varying times. Every other Friday will be a (optional) Fun Friday event. Reliable transportation is a must. Vacation times are permitted if submitted in advance.

**What is the application process?** The first step would be to fill out the application attached. This can be mailed or faxed back to our office at the included address. Once your application is submitted and reviewed, you will receive a confirmation email with an essay question included. This will give you a chance to share your heart and passion regarding this cause. This should be at least a paragraph, but no longer than a page. We will also send you a brief monologue to practice in preparation for the audition portion of the application process. The audition allows us to see your ability to not only memorize material, but more importantly, convey ideas. We are less concerned with word for word memorization, but would rather see you communicate the information in your own style. After the audition, you will receive a call either letting you know we'd like to interview you further, or that we don't feel this position is right for you. For the interview, you will meet one on one with the staff, and give us a chance to get to know you. None of this is meant to be intimidating or daunting, instead just a way that we can get to know and to determine who will be the best fit for our Summer Staff. After the interview, you will get another call back and find out whether you made the team or did not.

**What is expected of a Summer Staffer?** The ideal Summer Staffer is comfortable in front of a crowd. He/she must be able to memorize scripts, perform in skits, communicate ideas & key thoughts, and engage the audience in topical dialogue. This person should be positive and flexible. Most importantly, they must be committed to living a healthy lifestyle and see the need to communicate this message to peers. They will be asked to sign a contract to make a commitment to abstain from premarital sexual activity, illegal drugs, alcohol and tobacco and be held accountable to that contract.

Please feel free to contact us with any more questions!

Thanks,  
IMPACT Team and A Woman's Choice
