Client Story

Leilany came to A Woman's Choice visibly nervous and feeling very confused. In her heart, she didn't want an abortion but the people she was looking to for advice told her abortion was her only choice.

At A Woman's Choice, Leilany heard God's truth and plans for her life, giving her hope. When she came back for her ultrasound with her mom and boyfriend and saw her baby, the confusion faded, and Leilany knew she wanted to parent. Praise God!

"Every doubt in my mind you had an answer for me. You were the ones to tell me I could do this. Solara was the best thing to ever happen to me." - Leilany

Pray with us!

Join nearly 500 prayer warriors to pray for the women and men who come to our center seeking an abortion. When this occurs a text is sent out with a fictitious name for you to pray for. We then send a follow-up text informing you of the pregnancy decision. There is power in prayer!
